**RESPONSE TO NOTICE REGARDING DRAWINGS**

Sir:

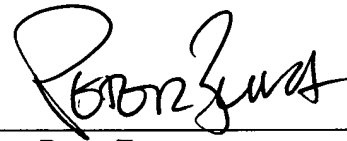

In response to the Notice Regarding Drawings mailed July 8, 2005, Applicant is submitting corrected drawings pursuant to the PTO-948 form, in which broken lines and faded data were indicated. After a discussion with draftsman Son Lam on August 2, 2005, it was indicated to Applicants that USPTO printing equipment was not processing the official drawings correctly, although the original documents were in acceptable form. As such, applicants are formally re-submitting the drawings to assist in processing the application to issuance. If any further issues remain in the application, USPTO personnel are highly encouraged to contact the undersigned by telephone for a speedy resolution.

If any fees are due in connection with this application as a whole, the Office is authorized to deduct such fees from deposit account no. 02-1818. If such a deduction is made, please indicate the attorney docket number (0107889-041) on the account statement.

Respectfully submitted,
